## Legend and Map

**Last Name:** The last name on the Plot Marker. If it is not found, then it becomes Unknown, if there is a grave, but it is unmarked, then it becomes Unmarked.

**First Name:** The first name on the Plot Marker.

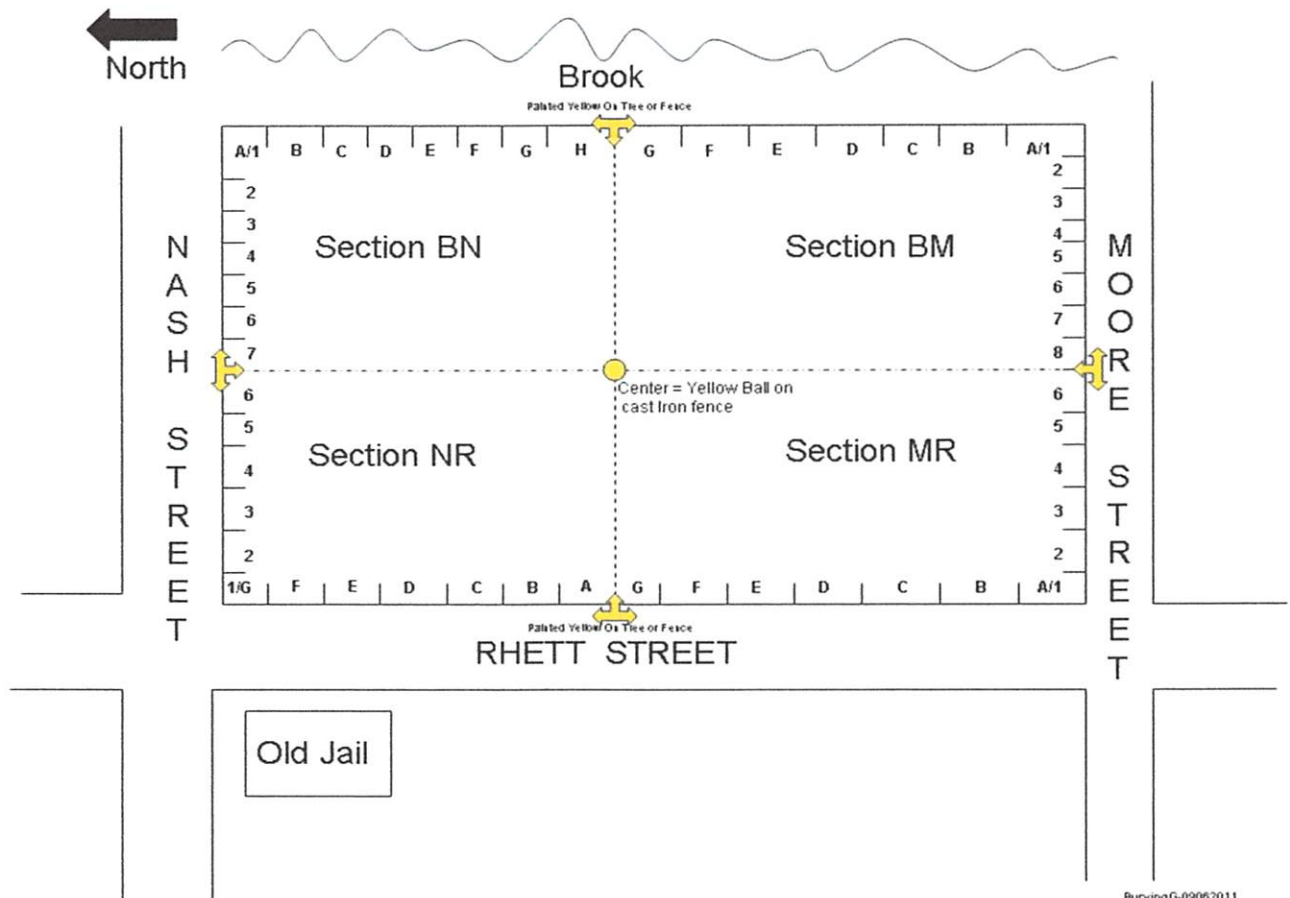

**Middle/Initial:** The middle name or initial on the Plot Marker.

**Other Mid Name:** The other middle name or initial on the Plot Marker if there is more than one (1).

**Title:** The title of the person on the Plot Marker, if there is one.

**Birth Date:** The date closest to what the Plot Marker has on it. 00/00/0000 means that there is no birth date given.

**Death Date:** The date that is found on the Plot Marker. 00/00/0000 means that there is no death date given.

**Quad Loc:** The four quarters or quadrants of the cemetery. Quarters are Nash-Rhett (NR) (north west), Moore-Rhett (MR) (south west), Brook-Moore (BM) (south east), Brook-Nash (BN) (north east).

**Loc:** Fences are to be used for the grid. For the NR (Nash-Rhett) quadrant, the alpha characters run from the double gate next to the Cornelius Smith Plot (large marble cross) to Nash Street. Numbers for the NR quarter run along Nash street until the Yellow marks on Tree/fence. The Center position is the left side post (with back to Rhett street) of the lot with the cast iron fence. The section (or Grid) that is seen from the observer using the alpha letters on the fence, and the numeric on the other quadrant fence. Standing in one place, facing the direction of the fences. All Plot Marker locations are within about 30 feet of two character location.
